Raglan Girls and Boys Agricultural Days

Thank you very much to everyone who supported both our Local and Group Agricultural days. The children who took part are to be commended for their ongoing commitment to their animals over several weeks (with family support of course). A big thank you to the parents who helped set up the pens, this is quite a time consuming job so really appreciate your help with this. This year, six Te Uku School children participated in Agricultural Day for the first time. It is always great seeing new families joining in, and of course other families returning for yet another year. It is a great event!

Thanks to the FRC for organising and running a food stall on Group Day; they made a profit of \$200.00 for our school.

Te Uku Fundraising committee would like to say a big thank you to all those that supported the Group Day at school on Saturday. We raised \$205.20 which will be going towards the new junior school sandpit. Many thanks for your ongoing support to help get new projects underway for our kids at school.

Remember also we would love to get new members involved for 2017 please. We will be needing a new treasurer and Chairman, is super relaxed with fun members who are always there to help out. If we don't have people we can't fundraise, this is for ALL out children.
